**Toothbrush Plan**

As required by EEC regulations, we offer to all students the opportunity to brush their teeth when they are in care for more than four (4) hours, or when they consume a meal while in care. In general, this only applies to WBCC After School students on Wednesday afternoons.

Please select below whether you would like your children to brush their teeth when they will attend on an Early Release Day. **Please note that your child must bring their toothbrush and toothpaste to After School on these days.** Please see the WBCC Director should you have any questions about this policy.
